1. About KIDZbranding

40 Years of creating better journeys for kids

KIDZbranding has specialized for over 40 years in the development and delivery of children's products designed specifically for use travelling.

Throughout this time, we have partnered with leading international airlines, ferries and airports and gained deep insight into the specific demands of the travel industry – including safety, quality, logistics, and the passenger experience.

Our solutions are tailored to meet the needs of children while supporting the expectations of parents – and aligned with the operational and compliance requirements of operations.

Sustainable kids' amenity kit

We design to keep little travelers comfortable, entertained, and cared for while supporting a more sustainable journey.

Content examples:

- Bamboo Toothbrush – An eco-friendly bamboo toothbrush with soft bristles for gentle dental care.
- Baby Point & See Book – An engaging board book that encourages early learning, curiosity, and interaction.
- Organic Baby Socks – Soft, comfortable socks made from natural fibers to keep little feet warm.
- Baby Bib – A reusable, washable bib designed for everyday mealtime convenience.
- Plush Toy – A cuddly companion that provides comfort, helps children relax, and supports restful sleep during travel.

A baby is sitting on a light-colored carpet, holding and looking at a colorful board book. The book is titled "BABY ELI POINT 'N SEE" and features a green dinosaur on the left page and a beach scene with a blue and white striped umbrella on the right page. An inset image shows another page from the book with a beach scene featuring a beach ball, a yellow shovel, and a red bucket. The background is a soft-focus indoor setting with a plant and a string of colorful bunting.

Point 'n' See books are designed to engage young minds through bold illustrations and bright, high-contrast colors that capture attention and encourage visual development.

Perfect for little hands, these books turn every page into a fun learning experience that supports cognitive and sensory development.

2in1 Game

Happy Friends Go Away Cockroach

Happy Friends

Shuffle the cards and deal 4 cards to each player.

Place the remaining cards face down as the draw pile.

On your turn, draw a card.

If it matches a card in your hand, place the pair in front of you.

If it doesn't match, discard one card and end your turn.

If another player asks, "Happy Friends?", give them the card they request if you have it. If not, they draw from the pile.

Keep playing until all sets are completed or the draw pile is empty.

The player with the most completed Happy Friends sets wins!

Go Away Cockroach

Deal all cards face down until none remain.

The youngest player starts by taking one card from the player on their right. Continue clockwise, taking one card from the player on your right each turn. If you collect a matching pair, place it face up in front of you.

The last player holding the cockroach card loses.

3. Collection | 3–6 Years

Classic Memo Game

A timeless favourite that combines fun and learning. Children turn over the cards, remember the pictures and try to find the matching pairs.

The classic memory game helps stimulate concentration, visual memory and recognition skills while keeping kids entertained.

Available in a wide range of themes, illustrations, and sizes, and fully customisable to your brand or travel concept.

Simple to play, fun to share and perfect for young travellers.

4. Collection | 6–11 Years

Fast Match

Objective

Be the first to spot the matching symbol and collect the most cards.

Setup

- Shuffle the cards.
- Place one card face up in the centre.
- Give each player one card.
- Put the rest in a draw pile.

How to Play

1. Turn over your card.
2. Find the one matching symbol with the centre card.
3. Call it out first.
4. If correct, take the centre card.
5. Place a new card in the centre.
6. Keep playing until no cards remain.

Winner

The player with the **most cards wins!**

4. Collection | 6–11 Years

World Match Game

Travel the world while having fun!

Turn over two cards at a time and try to match the same country or destination.

Each time you find a pair, read the fun fact on the card and discover something new about that place.

The player with the most matching pairs wins!

4. Collection | 6–11 Years

Speed quiz

Place all category and letter cards face down in two separate piles.
Turn over the top category card and the top letter card.
Be the first player to name something that matches both the category and the letter.

Example: Category: Countries + Letter: S → *Spain*.

The first player with a correct answer wins the round.
Turn over a new category and letter card and continue playing.

The player with the most correct answers wins!

4. Collection | 6–11 Years

What is missing

Shuffle all the **CHECK** cards and place them face down.
Place the **CHECK BOARD** in the centre.

Turn over the top **CHECK** card and place it next to the board.
Study the card for 30 seconds, then turn it face down.

Find and point to the matching items on the **CHECK BOARD** from memory.
The player who finds the most correct items wins the round.

The player with the most points after all rounds wins!

4. Collection | 6–11 Years

What is it?

Shuffle all the cards and deal them evenly to all players.
Turn over the top card from your pile.

Be the first to spot the matching symbol between your card
and another player's card.

Call out the matching item and collect the card.
Continue until all cards have been played.

The player with the most cards at the end wins!

Fast eyes and quick reactions are the key to victory!
